TRAVEL ARANGEMENTS:

Arrival and onward travel:	Participants should ideally arrive in Addis Ababa 3 days before the course starts, unless they are planning to fly down to the south on a domestic flight. It is possible to fly down to Arbaminch on Sundays, so if you want to do this you should fly down on the 9 th of December (this will mean you can avoid the LONG 12-14 hour car journey the whole way down to Konso). You will then go on to Konso by minibus the same day OR we can send our car to collect you on the Sunday (note that there will be a charge of \$80 for collection from Arbaminch, which can be split between the group). The same journey can be done by bus which is cheap but not comfortable. If you are making your own way to Konso by any other means, you should be there by Sunday 9 th . We have 4 (or 5) spaces in our car and can bring you down from Addis by vehicle if there is enough demand. The car will leave for Konso from Addis on Saturday 8 th December at 6am, so that the participants get a day to rest up before the course begins. Please let us know <i>in good time</i> which options you prefer for onward travel so that we can make arrangements on your behalf.
