**Join fellow Calgarians for a screening of
'Introduction to Permaculture Design' followed by a
webcam session with Geoff Lawton, live from Australia!**

Geoff Lawton, founder of the Permaculture Research Institute of Australia is regarded as one of the most experienced permaculture teachers on the planet.

Based on the 72-hour Permaculture Design Certificate Course as devised by Bill Mollison, join Geoff Lawton as he takes you into the world of Permaculture Design and introduces you to a new way of looking at the world. Learn how to apply design skills by observing, analyzing and harmonizing with the patterns of Nature. Discover the theory and then see the examples in action in this unique film.

Essential information for anyone interested in learning more about Permaculture and how they can apply it in their daily lives to create sustainable abundance.

Hosted by Permaculture Calgary - a not-for-profit community group
formed to encourage and promote Permaculture in Calgary and Alberta.
